PAUL P. HARRIS
The Founder of Rotary
(1868-1947)

Paul P. Harris, a lawyer, was the **founder of Rotary**, the world's first and most international service club. Rotary is an organization of business and professional leaders united worldwide to provide humanitarian service, promote high ethical standards in all vocations, and help build goodwill and peace in the world.

Born in Racine, Wisconsin on 19 April 1868, Paul was the second of six children born to George N. Harris and Cornelia Brian Harris. At age 3 he moved to Wallingford, Vermont where he grew up in the care of his paternal grandparents. Married to Jean Thomas Harris (1881-1963), they had no children. He received an LL.B. from the University of Iowa and received an honorary LL.D. from the University of Vermont.

In 1896, he went to Chicago to practice law. One evening Paul went with a professional friend to his suburban home. After dinner, as they strolled through the neighborhood, Paul's friend introduced him to various tradesmen in their stores. This reminded Paul of his New England village and it occurred to him, "Why not have a fellowship composed of businessmen from different occupations, without restrictions of politics or religion?"

On 23 February 1905, Paul Harris formed the first Rotary Club with three other businessmen: Silvester Schiele, a coal merchant, Gustavus Loehr, a mining engineer, and Hiram Shorey, a merchant tailor. Paul Harris named the new club "Rotary" because members met in rotation at their various places of business. When Paul Harris became president of the club in its third year, he was convinced that the Rotary club could be developed into an important service movement and strove to extend Rotary to other cities.

When President emeritus Paul Harris passed away on 27 January 1947, his dream had grown from an informal meeting of four men to some 6,000 Rotary clubs developed for the purpose of service and fellowship.

John Germ
2016-17 Rotary International President
Rotary Club of Chattanooga, TN

John F. Germ, a member of the Rotary Club of Chattanooga, Tennessee, USA, and chair of the International PolioPlus Committee.

For Rotary to thrive, Germ says, members must face current and future challenges and opportunities with "passion, enthusiasm, perseverance, and above all, integrity."

"I envision Rotary boldly and creatively engaging the success of polio eradication, membership and identity issues, strengthening clubs, work with youth – our future lifeblood, and the creation of critical, strategic partnerships," says Germ. "The 2016-17 Rotary year offers a tremendous opportunity for Rotary International and the Foundation partnership unified and thriving, on all levels, via the six areas of focus."

In 1965, after four years in the U.S. Air Force, Germ, an engineer, joined Campbell and Associates Inc., an engineering consulting firm. He now serves as the company's board chair and chief executive officer.

He also serves on the boards of several organizations including the Public Education Foundation, Orange Grove Center Inc., and the Blood Assurance Inc. He is the founder and treasurer of the Chattanooga State Technical Community College Foundation and is president of the Tennessee Jaycee Foundation.

A Rotary member since 1976, Germ has served Rotary as vice president, director, Foundation trustee and vice chair, chair of Rotary's US\$200 Million Challenge, and RI president's aide. He is a recipient of Rotary's Service Above Self Award and The Rotary Foundation's Citation for Meritorious Service and Distinguished Service Award.

John and his wife, Judy, are members of the Arch Klumph Society.

Karen Wentz **Rotary International Director** **Zones 30/31**

Karen was invited to join Rotary in 1990, and is a member of the Rotary Club of Maryville-Alcoa, Tennessee with the classification of Higher Education Administration. She served as governor of District 6780 in 2005-2006, and is honored to serve on the board of directors of Rotary International for the Rotary years 2015-2017.

Active in the leadership of Rotary Institutes, she has served as Institute chair, program chair, registration chair, and trainer. She was a founder of Mid-South PETS (a multi-district PETS comprised of six districts in three states) in 2005, and served several years on its executive committee as program chair and registration chair. A member of the PETS Alliance Steering Committee for seven years, she served terms as chair and as treasurer.

Karen and her Rotarian husband Ron Appuhn are passionate supporters of The Rotary Foundation and are Major Donors, Benefactors, members of the Bequest Society, Paul Harris Society, and Arch Klumph Society. She was honored to receive the Rotary Foundation "Citation for Meritorious Service" in 2012.

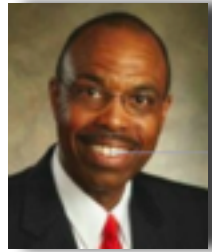

Karen led a Rotary Foundation Group Study Exchange Team to England in 1999, and has guided the development of numerous Rotary Foundation Humanitarian Grants including two Safe Blood Africa projects during her governor year and a District 6780 major grant for water projects in Thailand. She traveled to both Nigeria (2012) and India (2014) to immunize children against polio.

Karen's professional career was in higher education as a librarian, strategic planning and development professional, project manager, and part-time instructor of marketing.

Karen has always been involved in communities where she has lived and worked, and the organizations she has devoted her time and talent to include Friends of the Library, United Way, YWCA, Habitat for Humanity, Humane Society of the Tennessee Valley, and the AARP Driver Safety Program. She is a 2002 graduate of Leadership Blount (Tennessee).

The Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

1. **FIRST.** The development of acquaintance as an opportunity for service;
2. **SECOND.** High ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society;
3. **THIRD.** The application of the ideal of service in each Rotarian's personal, business, and community life;
4. **FOURTH.** The advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.

Rotary

The Four-Way Test

From the earliest days of the organization, Rotarians were concerned with promoting high ethical standards in their professional lives. One of the world's most widely printed and quoted statements of business ethics is The Four-Way Test, which was created in 1932 by Rotarian Herbert J. Taylor (who later served as RI President in 1955).

Adopted by Rotary in 1943, The Four-Way Test has been translated into more than a hundred languages and published in thousands of ways. It asks the following four questions:

Of the things we think, say or do:

1. **Is it the TRUTH?**
2. **Is it FAIR to all concerned?**
3. **Will it build GOODWILL and BETTER FRIENDSHIPS?**
4. **Will it be BENEFICIAL to all concerned?**

Rotary's Avenues of Service

Throughout Rotary's rich history, Rotarians have strived to achieve the ideal of *Service Above Self*. Rotary's Avenues of Service form the foundation on which all club activity is based.

- Through **Club Service**, we have fun, build lasting friendships, and make sure that our club functions well.
- Through **Vocational Service**, we volunteer our professional skills to serve others and promote integrity in everything we do.
- Through **Community Service**, we address local needs and work with our community to bring lasting improvements.
- Through **International Service**, we meet humanitarian needs around the globe and promote world understanding and peace.
- Through **Youth Service**, we work with young people to help them become the next generation of leaders, visionaries, and peacemakers.

TOGETHER

WE ARE “THIS CLOSE”

TO ENDING POLIO

Polio still cripples thousands of children around the world. With your help, we can wipe this disease off the face of the earth forever. Visit rotary.org/endpolio to help.

We are this close to Ending Polio.

Rotary and its partners are on the brink of making history by eradicating the crippling disease polio.

A diverse group of influential leaders and celebrities have signed on for the final push to finish the job.

Please join them by creating your virtual pledge to end polio.

IT'S FUN. IT'S EASY. AND IT'S IMPORTANT.
