Aledo Moving Forward in 2018

Martin "Mac" McGee, Club President, Rotary Club of Aledo

Aledo Rotary meeting Jan 11, 2018.

Club President Mac McGee introduced Erin Knackstedt, the City Administrator of Aledo, as the Club's program on January 11, 2018, who gave a synopsis of where Aledo was heading during 2018.

City Hall exterior repairs have been bid out to make some much needed safety repairs to City Hall.

They are planning on consolidating the Public Works Departments of Water/Sewer, Gas, and Streets to re-locate to City Hall. The City recently demolished the abandoned RMA buildings.

Additionally, the City is planning on completing the next phase of downtown street work. The section of work targeted will be in front of the Post Office.

The next phase of the ITEP bike bath grant request was completed. The proposal will extend the current path down 8th to 6th to complete a path to school.

The City has also completed a grant to install VFD's to all three wells which funded 1/3 of the project. A USDA grant for a new Police Department vehicle was complete, and is now awaiting notification.

Erin also consulted with the Public Works Director in identifying the trees, the city would like the Rotary Club to order for planting this spring. This will be a cooperative effort of the city, Rotary and community.

Aledo Club – Program Highlights Local Antique Shop

Martin “Mac” McGee, Club President, Rotary Club of Aledo

The program for the Aledo Rotary Club on January 25th 01-25-18
Derrwood (Derr) Ruggles, who with Dottie run an Antique shop here in Aledo.

Derr mainly refurbishes Antique furniture at home for the shop. He also appraises furniture on request, to see if repairs and refinishing is possible. He brought with him a large plastic tub that held several types of castor rollers for furniture cabinets. All or most of the old furniture had castors on them to help move the item into place. The wheel components of the castors were made out of oak, walnut, steel and glass that looks like porcelain. Also knobs and handles are in demand for this type of furniture, when people want to restore the cabinets to original.

Myth buster: “Not all kitchen cabinets are Hoosier” Although we refer them as such.

He is currently working on a Hoosier kitchen cabinet. On the cabinet, he found a label dated 1919.

Hinges, latches and other hardware have brand names and can be dated on their Patent date. They did not have patent numbers but patent dates on items of that period. You can find companies still in business, that made the original hardware and locks for the cabinets.

He has several stories about the different pieces of furniture he has restored and what it took to bring it back to its original look.

Make sure you have a good idea of what needs to be done for the repair and refinishing of antique furniture.

Rotary Youth Leadership Awards 2018

Cathy Jo Littleton Wahl, District RYLA Chair, Rotary Club of Jacksonville

Spring is coming soon, and so is the Rotary Youth Leadership Awards (RYLA) weekend at beautiful *Lake Williamson in Carlinville, IL* - April 6, 7 and 8, 2018.

RYLA is Rotary's premier training program for high school students, emphasizing leadership, citizenship and personal growth. These skills are reinforced with games, competitions and team-building activities to make this an enjoyable, educational and enriching weekend for participants.

WHAT YOU NEED TO KNOW: The weekend begins on Friday, April 6th at 5 PM and ends promptly on Sunday, April 8th at 1 PM.

- ✓ RYLA is open to High School Sophomores or Juniors who have not attended RYLA in the past.
- ✓ District 6460's goal is to have two or more students from each high school (*not including Youth Exchange Inbound students*) in District 6460 attend the RYLA weekend. We need YOUR CLUB to sponsor future leaders from your area high school(s) to attend this event!
- ✓ The Bradley Rotaract Club has been working on programming for several months and will provide a variety of plenary and breakout sessions designed to promote and enhance leadership skills, citizenship, and personal growth.
- ✓ District 6460 Rotarian (trained/experienced) volunteers will be in attendance throughout the weekend.
- ✓ Youth Exchange Inbound Students will be sponsored by the Youth Exchange and RYLA Committees. (no charge to the clubs for these students)
- ✓ Cost for the weekend is \$225 per student **IF** all forms and checks are postmarked/received **before March 2, 2018.**
- ✓ Registrations received after March 2, 2018 will be \$250/student.
- ✓ The registration cutoff date will be **5:00 pm, March 23, 2018.**
- ✓ Requests for refunds will be addressed on an individual basis after the event. Refunds will only be considered for those issues outside the control of the student.

An application form, club instruction sheet, and promotional piece are enclosed for your convenience or you can access these forms on the District website at <http://rotarydistrict6460.org/service/youth-service/ryla-2/>. Students will benefit greatly from this program. It is not essential that the high school has an Interact club. In fact, sending a student to RYLA is a great first step to getting an Interact club started at your high school! Clubs have also had success in recruiting students for Youth Exchange once they have attended RYLA and interacted with the Inbound students in attendance. RYLA alums have reported that they look for college opportunities that include Rotaract Clubs after attending RYLA. Rotaract members have been known to join their local Rotary Clubs after college. So many doors are opened and experiences provided through interaction with other students at RYLA!

Remember: early registration applications must be postmarked by Friday, March 2, 2018 and MUST include the early registration fee of \$225 per student. Late Registration fee is \$250.

For further information on the RYLA weekend, please contact:

Ins and Out Youth Exchange News

#38 January 2018

It was bitter cold, but Rotary Exchange Students have fortitude! They hosted 16 students for a weekend of service and skiing. At this Fun Weekend, the Outbounds were given their country assignments.

Our 2018 Outbounds will be going to Brazil, Japan, Denmark, Chile, Czech Republic, Taiwan, Peru and Spain. They will be officially pinned in February.

Outbound Abby in Poland:

Dzień dobry, mam na imię Abby Reynolds. I have been here in Poland for 6 months now. So far, I really love Poland and I don't want to go back to the U.S. My Family and I went to the mountains for skiing. We drove 6 hours to Karpacz to go skiing. . The first day my dad helped me with skiing; he was very good and I was shocked. He knew how to ski backwards. He taught me the basics and at first it was hard. I fell down a lot. But by the end of lesson I went down the small slope without falling. The third day, the small slope was too easy for me. So, we decided to go to harder slopes. And at first I fell a lot, but then I got the hang of it. My mom and my dad were surprised. They said that they were very impressed with how I learned so quickly and that I have a talent for learning things fast. As the days past, we went to different places and skied. The slopes got harder, but they were easy for me. Now I really like skiing. I really like this Family. I will be sad if I have to switch, but before I do I want to say thank you for them being nice to me and letting me be part of the family. So far now I say do widzenia (goodbye).

Aaron in Netherlands.

Abbie in Buenos Aires

Ben In Germany

"So much has happened since my last report! In November, I travelled to Paris with over 100 other exchange students. We saw all the sights like the Louvre and the Eiffel Tower. Not only was it one more thing to check off my bucket list, but it was also a fantastic time with all my friends. In December, I spent a week in Cologne with my host family and host grandparents. It was during Christmas, so naturally I had a little bit of homesickness. However, being with my host family over the holidays made us closer and I was still thankful to be here in Germany. For New Year's Eve, I spent the night celebrating in Berlin. I'm used to seeing fireworks in Springfield, but that does not compare to Berlin. Starting from around 5pm when it got dark and lasting until past midnight, it was nonstop fireworks and celebrations. In April, I will go on a Rotary EuroTour which will consist of 21 days visiting around 7 countries. I can't wait for the trip to happen, but at the same time I wish the days would pass a little slower, because time is passing too fast."
