It's a New Year and a New Theme!

Hi West Central Illinois Rotarians! I hope you're having a happy summer and all is well with you and yours. For those of you who haven't met me yet, I'm Brian Barstead. I've been a proud member of the Springfield Sunrise club since 1990. Our club of around 30 members meets for breakfast every week at 7 AM on Wednesdays at the Hoogland Center for the Arts, in Downtown Springfield. You're welcome to join us when you're visiting the Capital City.

I'm also still fully employed as a financial advisor.

It's been a busy couple of months—My wife Nancy and I took a vacation to Florida for a week in June, watched Alberto come in down in Sanibel – which reminded me of the wave logo for this year's Rotary them—as the waves and rain pounded the beach near where we were staying for a couple of days. Then we came back and Nancy officially retired from her nearly forty year career as a clinical microbiologist ( most recently with the State of Illinois Public Health Department. We celebrated the first weekend of her retirement at the Father's Day Rotary Family Day at Busch Stadium, when our son Alex came home for the weekend from Seattle and I was honored to get to go down on the field with my District Governor pals from East and South of our District – Arlene Pennie of Normal, IL and Janice Alka, from Mt. Vernon, IL—for the pregame ceremony and I was able to show off my 22 mph fastball and throw out one of the first pitches--Quite an amazing moment for a lifelong Cardinal fan who was always picked last in gym class. Thanks Rotary!

Then it was off to Toronto to look for Inspiration around Every Corner at the 2018 International Convention. I'm really sorry it took me almost 28 years in Rotary before I started attending Rotary International Conventions.

I've heard, from hundreds of you, over the years how much fun and inspiring they are. Guess what, IT's THE TRUTH. I hope to see many of you in Hamburg next year – I'm looking forward to attending one where English is not the local language – and getting to step on European soil for the first time. Keep in mind, 2020 is in Honolulu, 2021 in Taiwan, and 2022 will be pretty close to home in Houston. Like so many others, I will add to the chorus, YOU REALLY SHOULD GO TO AN INTERNATIONAL CONFERENCE. I don't think I'll drive to any more of them ( Toronto was pretty far, but I enjoyed the drive through Ontario and our quick stop at Niagara Falls).

On June 30, we had over 100 people who crowded the warm room on the 29th floor of the Wyndham City Centre, as we thanked Doug and Judy Huff for helping us all making a difference last year; and I was honored to be installed as your District Governor as well as the district officers and Assistant Governors who were present, or there in spirit. Thanks to all of my club members who helped with the planning of the evening. Thanks to Bob Stuart, Past Rotary International Director, who helped with the installation ceremony. It was a special night for Nancy and I.

On July 4, Nancy and I were allowed to ride and wave at the folks in Jacksonville at the annual Rotary Independence Day Parade held there. We ran out of candy early, so the kids at the end of the parade didn't seem as interested in our waving as the ones in the beginning, but it was fun. Jacksonville is a great town and we have enjoyed celebrating its Rotary Centennial with them this year.

Since then, I've done eight club visits and attended a Leadership workshop-- Logging 1,372 Rotary miles on my Red Rotarymobile. I've enjoyed visits with clubs in Quincy, Abingdon, Cambridge, Highland, Peoria, Chillicothe, Pekin and Havana. Seems like I've been everywhere, but I'm just getting started.

Being a Rotarian is a journey--We're lucky to be on the ride. There are over 35,000 clubs in over 200 countries on the journey with you. Every club is doing something to improve the quality of life for their communities and, in the process, they create ( as Robert Kennedy once said) " tiny ripples of hope ". These ripples coalesce and become a tsunami that creates lasting change for people all over our tiny blue dot of a planet--And we do it all without getting paid to do it. It's miraculous.

Get engaged with your club. Step up a bit this year. Be the inspiration for your club. Don't keep Rotary a secret any longer. Our District of members has been shrinking. We have about ten percent Rotarians in our District than we had three years ago. (although we have a lot more female members in the clubs—happily) Recently, we had two clubs close—although most of their members are merging into neighboring clubs. August is Membership Month – a great opportunity to show off your club and what Rotary is all about to someone you care about who trusts you. Let people you care about see what Rotary is. Maybe some of them will want to join us—if not, they'll be more aware of what we do. Let them make the decision. Let's grow our clubs and MAKE EVERY MONTH MEMBERSHIP MONTH THIS YEAR.)

Thanks for your time and energy that you give to your club activities. I know that you have some choice over how you spend your precious discretionary time and I'm grateful that you give so much of it to your communities and the world, through Rotary.

Your Friendly Neighborhood Fellow Rotarian, BB, as in "Be the Inspiration!" You're already mine!

# Club News and Events

I have started adding club stories on the District Website. However, I am now asking clubs to submit their stories via DACdb's Club Stories ... as discussed at District Assembly.
