

Rotary Youth Leadership Academy 2021
April 17 from 9:45 am to 1:30 pm

BUILD CONNECTIONS*BUILD COMRADERY***BUILD COMMUNITY**

The Rotary Youth Leadership Academy program in District 6460 is a leadership development academy for high school students who make an impact on their school and community. The program develops leaders and encourages them to build connections and teamwork skills with peers from both in their community and in other countries.

RYLA in District 6460 will be held virtually for the first time this year. This will be a FREE ACADEMY. Facilitators for the day are two young Rotarians. Sydney is a former Interactor, Rotaractor and Rotary Scholarship recipient. Zane, a former Interact member, has just returned from his Youth Exchange experience in Brazil. Youth Exchange students from around the world will be joining us. Our Keynote speaker is Chad Anderson.

We need your club to sponsor outstanding high school sophomores from your area school(s) to attend this event. The goal is to have two or more sophomores from each Rotary Club in District 6460 attend the RYLA academy.. You have two options:

1. Your club members can nominate students that they know,
 2. You may contact your high school's guidance counselors to recommend students for the event.
- Future Interact Club leaders will benefit greatly from this program. It is not essential that the high school has an Interact club. In fact, sending a student to RYLA is a great first step to getting an Interact club started at your high school. Please contact us if you are considering sending more than 2 students.
