An important goal of Rotary Youth Exchange is to expose participating Clubs to a variety of countries and cultures. Clubs may express preferences to the District 6460 Inbound Coordinator. Best efforts will be made to match your preferences; however, gender or country cannot be guaranteed. Please remember that Students are assigned to our District and we must place each Student with a Club in our District. Therefore, prior to Student assignments, please try to identify host families with no gender preferences, or identify a back-up family if a family can accept only one gender.

Special considerations regarding an Inbound Student for your Club:

NOTE: A Club must submit a completed Guarantee Form within 30 days of Student assignment. IF a Club fails to accept their Student for any reason, then the Student must be offered as a Rescue to another Club within District 6460 or another CSRYE District. The Committed Club will be responsible for all FEES and EXPENSES listed above (\$4,000), even if they cannot accept the Student.
