## District Governor Newsletter for May

### Inspiration Diary – April 30, 2019

Hello again, Central IL Westies; two more months left of my reign, and most of the heavy lifting in the role is over. Mark Roberts, who will take over as District Governor on July 1, and his team (many thanks to many people) just led a great group of Rotarians who came to Springfield's Lincoln Land Community College campus on April 27, to learn more about their roles and prepare for the upcoming year. We were happy to see so many clubs represented. We were helped by visiting Rotarians, PDG Dr. Rita Esterly from Jefferson City Mo., the Zone Membership Chair and Jill Pietrusinski, from District 6510 (just south of our district), who provided training for a group of District leaders who have committed to being Membership Facilitators. PDG Doug Huff (email [rotarydoug@aol.com](mailto:rotarydoug@aol.com)) is leading this group next year, and we'll come to your club and do a two-hour membership strategy session-- designed to help your club to commit to a strategic plan to grow.

Speaking of growth, for the past several years, our district net growth has been a little bit negative each year. Two years ago, when I spoke to those of you who had assembled for training as Presidents Elect, I talked about bending the trends, and we've provided additional training on not only onboarding new members but retention techniques for existing members. People join Rotary for logical reasons (many times for building networks and growing their base—that's why I did it 29 years ago)—very good reasons. People stay in Rotary because they discover that, personally, they have a yearning to make a difference and for the friendships they develop. Those newest members sometimes get into the club and get lost in all the Rotary "stuff" (there's a lot of it)—the acronyms, all the programs and the things going on—and it's easy to not fall in love with it. Successful clubs have discovered that if you can get someone to where they like Rotary, then love it, you're much more likely that the person will get through the first three years and become a Rotarian for a long time.

### IN THIS MONTH'S EDITION:

District Governor's Letter	1-2
Event/Project Ads	3
Rotary Family Day at the Ball Park - 2019	3
Baseball Order Form	4
Rotary Leadership Institute (RLI)	5-7
Club News Submission Information Request	8-9
Youth News	10-14
Membership/Foundation Report	15

We've endeavored to make that a more conscious structured thing, and club presidents are telling me that it's becoming a habit. So far this year, new member retention has improved, and more clubs have either grown or stayed the same vs. those which have had a net loss of members.

I'm also excited that more of you have personally donated to the Rotary Foundation of Rotary International (TRF)- with the number of Rotarians who have donated at least \$25 this year up 27% compared to this time last year. We've increased our donations to the Annual Fund, End Polio Now and the Endowment fund. Remember, donations to the TRF Annual Fund (SHARE) provide interest to support the organization and three years from now come back to the District to providing funding for our annual club grants, and global grants that your clubs participate in. I hope that every Rotarian will become, at least, a Sustaining Member and commit to giving at least \$100 to TRF each year, and we still have two months to make that happen this year. An easy way to do that is to go to <http://www.Rotary.org/give>.

I hope that many of you would consider becoming a District Governor. It has been an amazing experience. For now, my main message is that we need more people willing to step up to the roles we have in the District for leadership among clubs, and I hope that you're willing to say "yes" when your club leaders ask you to serve in club roles. If you want to be a Governor someday, give me a call and I can help you design a personal Rotary path that will enable you. If you're ready now, applications for Governor for 2022-2023 will be available for your club to nominate you later this spring on our district website. I'm happy that the next three Governors, like myself and my predecessors are all full-time working people, as is our next International president, and we've dispelled the myth that you have to be retired or semi-retired to be able to do this.

Rotary's vision -- **"Together, we see a world where people take action, to create lasting change, across the globe, in our communities, and in ourselves."** -- is something we should recite at meetings. It's what we should think, say and do. It's what we are and who you are.

See you soon! Thanks for the time, energy and love you continue give through Rotary! "In the end, the love you take is equal to the love you make"- John Lennon

Your obedient Rotary servant,

**BRIAN BARSTEAD**  
District Governor  
Rotary District 6460

**JOIN LEADERS • EXCHANGE IDEAS • TAKE ACTION**

## Event/Product Ads

---

**Editor's note:** We know that your clubs are always doing an event or selling something, and Rotarians like to buy things from Rotarians if it does some good. With that in mind, consider sharing your upcoming event news or products you're selling with other clubs in the District through the District Newsletter. Maybe you'll get a new customer or two, and you'll also be sharing ideas on thoughtful fundraisers and projects that other clubs might want to try.

If you want to advertise an event or product, send your finished ad or story to the District Four Way today editor (PDG Dave Knieriem at [dave@dkofficeconsulting.com](mailto:dave@dkofficeconsulting.com)). Keep in mind, the District Governor and the District Four Way today editor have the right to review and approve or disapprove any ads, based on size or other criteria. If we disapprove of an ad, we'll send you an explanation.

Please edit prior to sending to minimize the amount of editing for the final newsletter. We'll try this for a while and see how it goes.

## Rotary Family Day at the Ball Park – 2019

---

**Brian Barstead, District Governor – District 6460, Rotary Club of Springfield Sunrise**

As Ernie Banks used to say, it's a lovely day for a ballgame, LET's PLAY TWO!

Once again, this year we have two opportunities for fun and Fundraising at Busch Stadium in St Louis this year- First is Saturday afternoon, June 22 ( longest day of the year) vs. the Angels ( Albert Pujols returns to St Louis for the first time since 2011- come to cheer him for his past contributions or boo him—we don't care). Cubs vs. Cardinals on Saturday evening, September 28 ( might be for the pennant on the last weekend of regular season). Order tickets by clicking the link on the District Webpage. (Also ... Order form is on the next page of the newsletter). For more information, please email PDG Rod Buffington at [rotaryrod@comcast.net](mailto:rotaryrod@comcast.net). Sell tickets to anyone, especially non-Rotarians!

If we sell out, we'll go over \$500,000 in profits for Literacy in the 16 years we've run this successful outing.

## Rotary Leadership Institute (RLI) – It's “What's Happening”!

**Dave Knieriem, PDG, Rotary Leadership Institute (RLI) District Coordinator**

Do you want to find out more about Rotary ... within your club, within the district, and throughout the world? WHAT is the **“bigger picture”** of Rotary?

We have recently identified the need within our Rotary District to increase learning and awareness of Rotary at and beyond the club levels. **To do this, we are reenergizing our involvement in a program that already exists within our Zone ... Rotary Leadership Institute (RLI).** We are now partnering with District 6490 (to our immediate east – East-Central Illinois) to re-energize the RLI program.

RLI is a general education program. RLI is not a PETS or any other district training program but graduates of RLI bring a greatly enhanced background in Rotary when they later attend other programs. Courses are **fun and interactive...fast-paced and geared to refining leadership skills.** The cost for the sessions is \$50. **A BARGAIN!** In many cases, the clubs may be able to help pay the registration fee.

### WHAT IS RLI?

RLI is a coalition of Rotary districts implementing a leadership development program for "potential" leaders of Rotary CLUBS. While it is an unofficial program of Rotary International, it has substantial support of a number of past Rotary International Presidents and current, past and incoming RI Directors.

RLI believes that excellent **CLUB** leadership (all types of club leaders) is essential to the future of Rotary in a complex and fast changing world. Most Rotarians have not been exposed to the great scope of Rotary around the world and have not considered what leadership skills are necessary to move Rotary forward. **RLI is a mechanism to make that happen!**

A Rotary Club and potential District leader must know the evolution of Rotary, current status and activities in the world and have a vision for what Rotary can be in the future. Therefore, RLI provides a three-day basic course in both Rotary knowledge and leadership skills, especially for voluntary organizations. In addition to specific leadership skills sessions, all RLI sessions have a leadership component.

### WHAT IS THE MISSION OF RLI?

The mission of RLI is to have the clubs identify those with the potential for future club leadership and send them to RLI courses at club expense.

The overriding goal of the courses for club Rotarians is to create **ENTHUSIASM** for Rotary by opening up to them the world of Rotary outside of their own clubs and also showing them the great potential of Rotary service for the benefit of the world that can be furthered with excellent leadership in our clubs.

The session topics of each RLI course (Parts I, II, and III) are presented on page 9 of the newsletter.

### HOW DO I SIGN UP OR FIND OUT MORE ABOUT RLI SESSIONS?

Details are on our District Website (<http://www.rotarydistrict6460.org>) on the District Calendar, and on the right side of the webpage under “Upcoming Events”. You may register from the website SOON (When Registration goes “Live”). If you do not have access to the web or a computer, you may contact me (see next paragraph) and I will register you over the phone.

Contact me, PDG Dave Knieriem at 217-899-5526 or [dave@dkofficeconsulting.com](mailto:dave@dkofficeconsulting.com) for additional information and for questions about the program.

**Long Term:** A complete listing of RLI sessions within our Zones 30-31 is on the Heart of America RLI website (<http://www.hoa-rli.org>) In addition to that, we expect to begin scheduling RLI sessions within our district during next calendar year (2020) in coordination with our RLI partner, District 6490.

**We are excited about this opportunity to bring a larger picture of Rotary and leadership to our members. This is for ALL Rotarians interested in “taking it to the next level”!**

**Registration for the second 2019 Rotary Leadership Institute\* is available online at <http://www.hoa-rli.org/>. Registration needs to be completed no later than Wednesday June 12, 2019.**

The Institute will be held on Saturday, June 15, from 9:00 AM to 3:30 PM in the Schilling Building at Richland Community College in Decatur. Continental breakfast, lunch, snacks, and drinks are provided. The fee is \$50 but check with your club because most Rotary Clubs cover registration for members.

RLI is a great way to:

- Get an increased understanding of Rotary
- Gain valuable skills that impact your leadership potential in both your vocation and your club
- Make new contacts and get fresh ideas

Here's what recent attendees have had to say in response to the survey question regarding faculty members' strengths:

“Great presentations; good information; well-spoken and considerate of all participants.”

“Good listeners. Knew materials well. Good at facilitating discussions.”

“Communicates clearly with knowledge in a non-dominating manner.”

\*Mark your calendars for the third 2019 Rotary Leadership Institute—Saturday September 21—same place and time.

**ADDENDUM: PDG Dave Knieriem, District 6460 Rotary Leadership Institute (RLI) Chair**

In order to fully update our District RLI records and to ensure everyone gets proper credit for RLI, I ask that each district member please let me know as soon as possible (email [dave@dkofficeconsulting.com](mailto:dave@dkofficeconsulting.com)) if

1. If you have attended RLI in the past;
2. Which Part(s) (I, II, and III) you have attended;
3. When and where you attended the sessions (If possible).

Thanks for helping me out with this.

RLI is a GREAT opportunity for **ALL** Rotarians in the District ... for **YOU**, Your **Club**, Your **District**, and **Rotary!**

## Club News and Events – Adding Your Stories to the District

We have been receiving numerous of news stories from our clubs throughout the District for programs, events, and projects that they are PROUD of. We will start sharing ALL of these remarkable stories to the district membership. Please send ANY newsworthy event that you are proud of (and you SHOULD BE) that your clubs are doing, and please share these items with all of us in the District. I would LOVE to fill the newsletter with all the WONDERFUL things that all of you do every single day in your communities and in the world.

I have started adding club stories on the District Website. However, I am now asking clubs to submit their stories via DACdb's Club eZStories.
