**Mark Roberts, District Governor, Rotary Club of Peoria North**

**Are you ready to meet lots of awesome Rotarians, get inspired, and HAVE FUN?** If so, register NOW for the 2019 District Conference, to be held November 1-2 at the beautiful Marriott Pere Marquette hotel in downtown Peoria. For your convenience, we've packaged this year's program so that you can attend the entire conference for one low price, or you can attend only the parts of the conference that fit your schedule. Non-Rotarian guests are welcome, including kids. Please note that although children are welcome to attend, there will not be any specific "kid-friendly" programming. Please use your best discretion in this regard.

As for the program lineup? The planning committee has been hard at work on that, and it's awesome! Keynote addresses by Amanda Messer, co-founder of *because I said I would*, and motivational speaker and author Mike Hinrichsen; informative breakout sessions by fellow District 6460 Rotarians on Women Leaders in Rotary, the remarkable success of our Vocational Training Team in Zambia, and our very own energetic Rotary Youth Exchange students; a crazy fun casino / carnival game night on Friday; House of Friendship, hospitality suite, awards and recognition, a memorial service, and MUCH MORE!

Discount rooms are available at the Marriott Pere Marquette, details are on the registration page. Here's the link to the registration and all the info: <http://rotarydistrict6460.org/distconf>.

Also, there is a paper copy of the registration form on the next page of the newsletter, if you are unable to register online.

## IPDG Brian Barstead Recaps Rotary Year 2018-19

---

**Brian Barstead, Immediate Past District Governor, Rotary Club of Springfield Sunrise**

### Inspiration Diary – Epilogue--Hello District 6460!

I just wanted to take some column space to thank all of you for your hard work and effort last year. Not only did you do great things in your communities, but you also were very generous to the Rotary Foundation of Rotary International (TRF).

I am happy and humbled to share with you the results we had in TRF Giving for 2018-19. Here are some fun facts-- Last year 855 (46%) of the District 6460 Rotarians made individual donations to the Rotary Foundation of Rotary International (TRF), compared to 555(28%) of the Rotarians the previous year. Last year 750 (40%) gave at least \$25 to the Annual Fund compared to 463 (24%) in 2017-18.

I wasn't enough to shave my head, but I did get rid of the moustache.

OVERALL, individual D6460 Rotarians and their clubs gave over \$190,000 to the Annual Fund last year, over \$59,500 to Polio and other Rotary Projects through the Foundation and over \$520,000 to the Endowment Fund (primarily from the magnificent generosity of the family of a member of the Galesburg club through his estate plan) to a grand total of \$769,905.

This past year we had 8 clubs which will receive a TRF Giving Banner, compared to 2 last year. This banner is for clubs which had 100% of their members who gave money to TRF in some fashion. Those clubs were – **Highland, Macomb, Mason City, Metro East Community, Pekin, Springfield, Springfield Sunrise, and Springfield Westside.**

We also had 6 clubs which had 100% of their members give at least \$25 to The Annual Fund of TRF last year, including: **Highland, Macomb, Mason City, Pekin, Springfield Sunrise and Springfield-Westside.**

**Top Three Per Capita** Clubs to the Annual Fund were **Springfield Sunrise (averaging \$269.45 per member), Jacksonville Sunrise (\$249.09 per member) and Peoria North (\$180.54 per member).**

**Peoria North was the biggest overall donor** to the Annual Fund, Polio and other Funds with over \$32,000 and **Peoria** gave over \$21,000. **Jacksonville** and **Edwardsville** were at \$16,627 and \$10,120 respectively.

It is remarkable, that in a year when our membership declined slightly and the population of our geographic territory declined, we had such an increase in donations, while the donations from our Zone actually declined over the same period of time. I know that some of the increase was due to clubs donating back the savings from the District Dues moratorium from last year (some clubs chose to do that and I thank you), but also I know of several clubs told me it was due to individual member generosity.

I have to brag about my own club a little, this is **Springfield Sunrise's** 4<sup>th</sup> consecutive year of being a 100% giving club and our first year as number one in Annual Fund Per capita (and all of it came from individual donations). Love my club!

As you all know, this money will help Rotarians in our District with more District Grant availability in three years and more money to help with Global Grants. Our communities need your projects!

The average Rotarian in our District gave \$87.27 to TRF Last year. What would happen if all of you gave at least an Average of \$100 to the Annual Fund this year, and the rest of you just gave the same amount as last year? An additional \$120,000 would do a lot for our Annual Fund in three years. \$100 annually is only 27 cents per day.

**LET's be a 100% Every Rotarian Every Year District!** We can do this. I'll keep encouraging you until we do, and when we get there, we'll have a party and I'll shave my head.

On behalf of a Grateful District, I thank you so much! You'll always Be the Inspiration to me and you're making a difference in our world! Now let's make this year another success- Connect the World!

I love all of you! Until next time, so long!

**Brian Barstead, Immediate Past District Governor  
District Annual Fund Chair  
District Paul Harris Society Chair**

## Rotary Youth Leadership Academy (RYLA) 2020

**Cathy Jo Littleton-Wahl, Rotary District 6460 Rotary Youth Leadership Academy (RYLA) Chair, Rotary Club of Jacksonville**

**Spring is coming soon, and so is the Rotary Youth Leadership Academy (RYLA) weekend at beautiful Lake Williamson in Carlinville, IL - April 17, 18, and 19, 2020.**

RYLA is Rotary's premier training program for high school students, emphasizing leadership, citizenship and personal growth. These skills are reinforced with games, competitions and team-building activities to make this an enjoyable, educational and enriching weekend for participants.

**WHAT YOU NEED TO KNOW: The weekend begins on Friday, April 17<sup>th</sup> at 4 PM and ends promptly on Sunday, April 19<sup>th</sup> at 12 Noon.**

- RYLA is open to High School Sophomores or Juniors who have not attended RYLA in the past.
- District 6460's goal is to have two or more students from each high school (*not including Youth Exchange Inbound/Outbound students*) in District 6460 attend the RYLA weekend. We need YOUR CLUB to sponsor future leaders from your area high school(s) to attend this event!
- District Rotaract Clubs have been working on programming for several months and will provide a variety of plenary and breakout sessions designed to promote and enhance leadership skills, citizenship, and personal growth.
- District 6460 Rotarian (trained/experienced) volunteers will be in attendance throughout the weekend.
- Youth Exchange Inbound/Outbound Students will be sponsored by the Youth Exchange and RYLA Committees. (no charge to the clubs for these students)
- **Cost for the weekend is \$225 per student IF the three-page registration form and checks are postmarked/received before March 20, 2020.**
- Registrations received after March 20, 2020 will be \$250/student.
- **The registration cutoff date will be 5:00 pm, April 10, 2020.**
- Requests for refunds will be addressed on an individual basis after the event. Refunds will only be considered for those issues outside the control of the student.

The three-page registration form, club instruction sheet, and promotional piece are available District website at <http://www.rotarydistrict6460.org> .

Students will benefit greatly from this program. It is not essential that the high school has an Interact club. In fact, sending a student to RYLA is a great first step to getting an Interact club started at your high school! Clubs have also had success in recruiting students for Youth Exchange once they have attended RYLA and interacted with the Inbound/Outbound students in attendance. RYLA alums have reported that they look for college opportunities that include Rotaract Clubs after attending RYLA. Rotaract members have been known to join their local Rotary Clubs after college. So many doors are opened, and experiences provided through interaction with other students at RYLA!

**Remember: early registration applications must be postmarked by Friday, March 20, 2020 and MUST include the early registration fee of \$225 per student.**

Late Registration fee is \$250.

For further information on the RYLA weekend, please contact:  
District 6460 RYLA Chair:  
Cathy Jo Littleton-Wahl at 217-883-1155 or [wahlcathy@gmail.com](mailto:wahlcathy@gmail.com)

For registration questions, contact:  
RYLA Registrar:  
Jean Jumper at 217-370-7067 or [jumper99@mchsi.com](mailto:jumper99@mchsi.com)

# HOW TO SEND A STUDENT TO: RYLA

## Want to send a student to RYLA? It's EASY!

Well...it IS Rotary...so there's paperwork. Have one member of your club do this:

### 1. GET YOUR FORMS:

All of the forms you need will be on the District Website beginning September 15, 2019. Go get 'em! (and, the website in case you aren't sure: [rotarydistrict6460.org](http://rotarydistrict6460.org))

### 2. CHOOSE YOUR STUDENTS:

Choose TWO Students!! Sophomores or Juniors are best. Check your Interact Club for possible RYLA Candidates (tell them they will have a BLAST!).

### 3. FILL OUT ALL 3 PAGES OF THE FORM:

Open the Registration, Medical Release, and Activity Waiver Instructions and Forms. Fill out the required information, and then print for signatures. Send the completed forms and registration fee to the RYLA Registrar. **Note: Tell students forms need be sent to the RYLA registrar, NOT the school.**

**NOTE: RYLA application form ,  
information  
and instructions are available at:**

<http://rotarydistrict6460.org/service/youth-service/ryla-2/>

### 4. MAKE THE PAYMENT:

Make the payment for your students on time. (Let the 4-Way Test be your guide: If your payment is late, pay the late fee.)

### 5. CHECK ALL PAGES OF THE REGISTRATION FORM:

Make sure your students know about, AND can access, the Form:

- *Registration:* Signed by both student and parent
- *Activity Waiver:* Signed by both student and parent
- *Medical Release:* MUST be signed by parent

### 6. GET 'EM THERE:

Your Rotary Club MUST arrange transportation to and from Lake Williamson in Carlinville, Illinois.

**That's it! Your students will be on their way to an incredibly rewarding weekend of FUN, FELLOWSHIP and LEARNING**

#### How your Club will benefit from sending a student to RYLA?

- You'll get an energized program given by your RYLA student
- Your club may have a potential Outbound from their RYLA experience
- Your club has the opportunity to start, or strengthen, your own Interact Club

## Public Image Update

---

### **Trent West, Public Image Committee Chair, Rotary Club of Metro East**

The practice of public relations varies throughout the world. Regardless of cultural differences from one country to another, all Rotary clubs have audiences with whom they should communicate, including the media, local government officials, the business community, civic leaders, and other organizations, as well as qualified prospective members and people directly affected by Rotary service projects. Developing a message for these audiences and finding an appropriate way to deliver it is public relations in action.

The District 6460 Public Image Committee Members, Trent West and Tiffany Mathis are offering to visit your club and provide a program on promoting your club's public image. The focus of this presentation is on the use of the new Rotary Brand Center (<https://my.rotary.org/en>) to increase the awareness in your community of the amazing service your club provides, as well as build general awareness of Rotary International. Please contact Trent by email at [trentswest@gmail.com](mailto:trentswest@gmail.com) and Tiffany by email at [tmathis@bgccil.org](mailto:tmathis@bgccil.org) if you would like one of them to visit your club. If you would like the Public Image PowerPoint Presentation, please request it.

Public relations efforts are vital to Rotary's continued growth and ability to provide much needed service. Creating a positive image for Rotary is the responsibility of every Rotarian, both locally and globally. Rotary founder Paul Harris said it himself: "In the promotion of understanding, it is important to reach large numbers, non-Rotarians as well as Rotarians, and you cannot reach large numbers privately." The Public Image team continues to improve our efforts and outreach to ensure that you get the resources you need in a format easy to understand. Below is one of the videos that can be found in the Rotary Brand Center that is ready for anyone to use in their public image campaign:

# Club News and Events – Adding Your Stories to the District

We have been receiving numerous of news stories from our clubs throughout the District for programs, events, and projects that they are PROUD of. We will start sharing ALL of these remarkable stories to the district membership. Please send ANY newsworthy event that you are proud of (and you SHOULD BE) that your clubs are doing, and please share these items with all of us in the District. I would LOVE to fill the newsletter with all the WONDERFUL things that all of you do every single day in your communities and in the world.

I have started adding club stories on the District Website. However, I am now asking clubs to submit their stories via DACdb's Club eZStories. I have noticed that many clubs are posting stories in DACdb ezStory but are not making it available to the District to publish on the website. To easily make your stories available to the District, here is what you need to do:

When Adding your New Club Story, click on the “Share” button as noted in the example below. Also ensure that under the “Show Story In:” that “Websites” checked.

The screenshot shows a web browser window with the URL `/Rotary/SecLogin3.cfm?CFID=129651258&CFTOKEN=91397434`. The page title is "Add New Club Mason City Story". Below the title, there are "Share" and "Save" buttons. The "Share" button is circled in red. Below the buttons, there are tabs for "Information" and "Contents". The "Information" tab is active, showing a form with the following fields:

- \*Story Name: [Text input] This is the Title of your Story, as it appears internally
- \*Headline: [Text input] Enter Story Title / Headline as it will appear when it is published
- Story State:  Draft  Review  Approved  Published

- Post Until: [Text input] Show the Story Until this date. Blank means forever -- until deleted.
- Story Sequence: 0 This is the sequence your story will appear on the listing (lowest number first). The sequence number is important only when your story is in an Approved and/or Published state.
- Main Story Image: [Choose File] No file chosen. This is the main story image. It will be alternated down the page. Only one (1) main image is allowed per story. Additional images can be uploaded and added in the ezStory summary or description.
- Show Story In:  Websites \*  Home Page  Dashboard  ezBulletin \*
- Enable Comments:  Enable Comments (blogging) on website
- Include:  Story Date  ByLine  Edited By  Story separator
- Category: No Categories defined
- By Line: (contributed by) Knieriem, David W. Name to appear on the By Line (if displayed).
- Target RoleKey(s): [Text input] Optional, enter Club positions you only want this story to be viewed by (e.g., S,SE,T). Leave blank for all members.

Next, in the dialog box that will appear, chose “Copy” the story to the District, and then click “Save”.

You can share this ezStory with the District list of stories by either making a **copy** of it, or **moving** it. Stories that are shared will be in District story listing in a \*draft\* publication state.

**Copy** this story to the District ezStory list.

This will leave a copy of the story here. Changes made here to this story after sharing it with the District will not be reflected in the District copy.

**Move** this story to the District ezStory list.

The ezStory will be moved to the District ezStory list and the ezStory will no longer appear in the club's story listings.

If you need additional information and instructions of how to create and save ezStories in DACdb, please go to: <http://rotarydistrict6460.org/wp-content/uploads/Forms/Training/CreateStory.pdf> or view the DACdb video at <https://vimeo.com/278726876>

I ask that all clubs develop, submit and upload their own stories to ezStory in DACdb for publication on the District Website and the District Newsletter. If you need assistance with this, or have questions on how to do this, please contact me at [dave@dkofficeconsulting.com](mailto:dave@dkofficeconsulting.com) or 217-899-5526. I will be happy to assist you.

## Ins and Out, Youth News

#55 August – September 2019

### - At the Youth Exchange Conference in Jacksonville Aug 24 - The 2019-20

**Inbound Class of Youth Exchange Students** met for Orientation and overnight: Daria/Peru, Anna/Poland, Pierre/France, Brian/Taiwan, Eric/Philippines, Giorgia/Italy & Paul-Emile/Denmark. Sabrina, from Venezuela, arrived just after the conference. Her picture is below at Springfield airport – arrived August 29!

Inbound students taught Rotarians about the Culture Shock Wave that students experience during their year.

**From the Chair: - Chair Tiffany Warmowski, reporting for the District Youth Exchange Committee**

Rotary Youth Exchange in District 6460 is in full swing! This year our district Connects the World by welcoming students from Peru, Poland, Italy, Philippines, Taiwan, France, Denmark & Venezuela.

In addition to Inbounds, we have **Outbounds (American students from our district) in Peru, Denmark and France right now, and one student starts his exchange to Brazil in January.**

**We also welcomed Rebounds home** (American students who just finished their year abroad). They went to Denmark, Chile, Czech Republic, Japan, Taiwan & Spain. The support of the district for this program is amazing. And we want more Rotarians involved!

**Here's what you can do to support the exchange program**, even if your club does not host or sponsor a student (yet!)

- chaperone a fun weekend
- help drive a student to a fun weekend
- invite a student to your club meeting
- talk to your club members about hosting & sponsoring
- consider being a host family - this is often the biggest barrier for a club to host.
- talk to young people about becoming an exchange student (we are working very hard to recruit. We have places for these students to go - now we need to find the students!)
- Serve on the district committee - we are in particular need of someone to support Rebounds as they reacclimate to life in the U.S.
- talk to me about the barriers to hosting in your club and we can discuss some ways other clubs have overcome them

Thanks to the D-line for their unwavering support of Youth Exchange and for those members of the committee who are dedicated to doing good things. We are indeed fulfilling this year's theme of Rotary Connects the World. And we are doing it one student and one Rotarian at a time - right here in District 6460.

#### Rotaract News

(If you have news/pictures, send to Diane Seufert <dseufert56@frontier.com

**SIUe Rotaract Club** shared pictures of them working on one of their garbage pickups. They have approximately 10 active members. They've helped their sponsoring club with bagging meals to be sent to Central America. They've also worked with the Metro East Community Rotary Club by helping "egg" people's houses (a fundraiser for Rotary). Club president Riley Ladd says "I

love that a small club such as ours can have a positive impact on the SIUe campus as well as the surrounding community! We organize garbage pickups, fundraisers, and participate in other campus/local volunteer activities."

We need to hear from Rotaract and Interact Clubs about your forthcoming plans. Give me a picture!
