## Computers for Progress – 100 in 100 Program

**Steve Hopper, PDG 2015-16, Rotary Club of Macomb**

District 6460 is giving our Rotary Clubs and Rotarians the opportunity to participate in an international project to provide a total of 35 computers to three middle schools in Progreso, Yucatan, Mexico. This exciting project to provide computer literacy was selected from approximately 200 proposed projects in the 100 in 100 initiative, celebrating 100 years of Rotary in Mexico. We are seeking to raise \$10,775. The size of the project precludes the ability to qualify for Global Grants.

I will be providing additional information in the coming weeks. One of the schools is Carlos Marx Middle School, which is the oldest middle school in Progreso. 600 students attend classes in the morning and 300 students in the afternoon.

Our District has been participating in a number of Global Grants along with the majority of Districts in Zones 30-31 that provide for improving the quality of life through such services as kidney transplants, pacemakers, provision of hospital equipment, clean water, and education for impoverished people in Mexico City. The 100 in 100 project expands the area served to all seven Rotary Districts in Mexico.

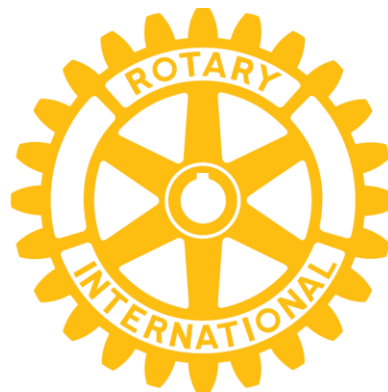

Contributions may be sent to:

Bill Smith, Treasurer  
 Rotary District 6460 Foundation  
 800 Wythe Road  
 Springfield, IL 62702-3351

For additional information about this project or opportunities to have your Club sponsor one of the other possible projects please contact PDG Steve Hopper, [retiredhopper@gmail.com](mailto:retiredhopper@gmail.com) or at (309) 333-0375.

I am also willing to speak to your Club about Heart 2 Heart and the 100 in 100 programs if you wish.
